

FSC 2003™

(FOOT SWITCH CONTROL)

B E L L D E N T A L P R O D U C T S

Clear the clutter of control boxes from your workbench

The FSC 2003™ is a state-of-the-art, full featured dental laboratory hand piece system. ALL of the electronic controls are integrated into the foot switch. No more control box taking up valuable space on your workbench. This foot switch is the best on the market! The FSC 2003™ has the same power and reliability as our popular counter top units, with a Forward/Reverse switch mounted on the top for easy access.

- Smooth precise speed control
- Low pedal pressure for reduced foot fatigue
- Rugged metal housing
- Dustproof and waterproof housing
- Works with a variety of hand pieces
- Same performance as a counter top unit
- Small size, only 8.75" x 1.25" x 3"
- Two-year limited warranty

FSC 2003™ (FOOT SWITCH CONTROL)

The FSC 2003™ is an ultra smooth precise speed control for laboratory hand pieces.

ALL OF THE ELECTRONICS ARE INTEGRATED INTO THE FOOT SWITCH.

Imagine, NO more control box cluttering up your workbench!

The FSC 2003™ incorporates state-of-the-art electronics for the ultimate in performance and reliability.

It can be used with a variety of laboratory hand pieces.

The pedal operation is the Smoooooother!! And, with low pedal pressure, it reduces foot fatigue.

Talk about rugged! The FSC 2003™ housing is metal, and it is dustproof and waterproof. NO maintenance. It is powder coated for the ultimate protection.

The Forward/Reverse switch is mounted on the top of the housing for easy access.

The FSC 2003™ is the ultimate full featured laboratory hand piece control.
